A RELIABLE CONCERN

Every city has a real need for an accurate Directory—one that may be relied upon—one that is kept, so far as is humanly possible, kept up to date, by yearly editions. This need has been fully met for the past several years by the WALSH DIRECTORY. The people of Mt. Vernon know they can depend upon the Walsh Directory Co. to publish new editions when needed. We now ask the advertisers—who make these directories possible—to discourage the agents of companies who may not be relied upon and to wait for us. Representatives of the Walsh Directory Co. keep in touch with those cities for which they regularly publish directories, and when the need of a new edition is evident one will be published. We thank the patrons who have made this directory possible and ask you to boost us.
