Thousands of Times

Every day this directory is consulted. Are your goods properly displayed here, Mr. Business Man, or will the person who is looking for your line find your competitor? Can you afford not to be properly classified? The cost is too low to be without representation.

**Look in the Business Directory and see
if your business is properly listed!**

THE SIGN OF DIESEL POWER FOR ALL INDUSTRIAL NEEDS

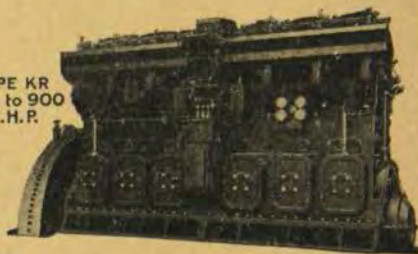

75 TO 1500 B.H.P.

Wherever there's a job for a Diesel, there's a Cooper-Bessemer ready to do it, cheaply and capably. 3, 4, 6, or 8 cylinders. Four-cycle, solid injection. Any kind of drive. Extra heavy, CERTIFIED crankshafts are examples of the high-strength materials and thorough engineering that go into every one of these smooth-running, expense-saving engines. The nameplate DOES make a difference.

Let us tell you why.

Thousands of Times

Every day this directory is consulted. Are your goods properly displayed here, Mr. Business Man, or will the person who is looking for your line find your competitor? Can you afford not to be properly classified? The cost is too low to be without representation.

**Look in the Business Directory and see
if your business is properly listed!**
