Huge Candy Bar On Display At New Buckeye Mart

Guess the Number of Nuts It Contains and Win Free Bike

Kids of all ages at some time or another wish to have all the candy they can eat. Haven't you? Now everyone's wishes have been granted... with a 5-foot long, 36-lb. Baby Ruth bar now on view at the new Buckeye Mart in Mt. Vernon Shopping Center. This "family-size" candy bar will remain on view during the Grand Opening Days and will be the basis of a giveaway. Anyone is eligible... you can enter as often as you like... NO

Each of the 50 Departments Like a Store Within

The new Buckeye Store in Mt. Vernon features everything for everyone at money saving prices with plenty of free parking. You can buy the week's groceries, meats, clothing for the entire family, shoes, jewelry, candy, hardware, major appliances, health and beauty aids. It will help make a whole day's shopping trip an adventure instead of a task. This is the new "one-stop" shopping idea that is sweeping Ohio and the country, aptly called a revolution in retailing.

Each department is like a huge store in itself with hundreds of name brand merchandise throughout.

Shopping carts are available to hold purchases as customers browse from one department to the next. Friendly, courteous cashiers will check-out customers at the door. Fast self-service is the Buckeye policy, yet trained, friendly sales people will be

PURCHASE IS NECESSARY. Oh! and what do you have to do? Why, guess the number of nuts used in the 50-lb. candy bar. Your efforts may make you the owner of an Evans bicycle, valued at \$50. Entry blanks are available at the new Buckeye Mart, and remember, no purchase is necessary. After announcement of the winner is made the candy bar will be donated to the Knox County Children's Home.

available for assistance when you desire. A trip through the new Buckeye Mart is a revelation. You'll be amazed at the thousands upon thousands of items being offered for your selection at lowest possible prices for first quality merchandise.

Free Parking Space Available For Everyone

"The huge black top free parking area contains literally acres of space to make customer driving a pleasure. Night lighting has been installed and lanes carefully marked for maximum safety. Everything is ready to accommodate the thousands expected to visit Mt. Vernon's largest single retail operation on opening day. Actually it is believed there is more parking space than available in all the downtown Central section and it's all free," commented Mr. Hedrick, manager.

An automobile uses up to 60 per cent more gasoline traveling at 45 miles an hour than it does traveling at 25 miles an hour.

Complete Satisfaction On Every Item

When interviewed Mr. Wundt, president, stated, "We will handle many nationally advertised brands and everything is sold on a money-back guarantee. We expect to be in business here in Mt. Vernon for a long, long time and the only way to have customers return is to stand behind each piece of merchandise."

"Your assurance of complete satisfaction is no new pledge with our organization. It has been in effect in our stores ever since we started serving customers in Ohio."
